

PENNINE WAY

NATIONAL TRAIL

Public transport along the Pennine Way

If you don't have time to walk the whole trail in one go, you may well be looking at ways of breaking it down into smaller chunks. We would recommend that you try and use public transport wherever possible, and so have compiled some hints and tips to help.

Journey planning for all means of transport is possible using www.traveline.info (0871 200 22 33). Entering your start point, your destination and travel dates will give you all the available options using public transport.

Train stations

There are train stations in the following locations:

Location	Distance from Trail	Distance from Edale along Pennine Way
Edale	650m	0km
Marsden	3km	40km
Hebden Bridge	2.8km	68km
Gargrave	270m	112km
Horton in Ribblesdale	440m	147km
Appleby in Westmorland	6km	254km
Haltwistle	4km	318km

Many of these have very limited car parking, and do not generally offer long stay parking. Details for each station can be found at www.nationalrail.co.uk/stations.

Bus travel

There are a number of other locations where you may wish to finish your walk that do not have train stations. Some of these have bus services to connect you with a train station. Some of these buses, especially those to smaller towns and villages do not operate every day of the week, and may run different schedules on different days or in different seasons. Please contact the operator listed for up to date information about timetables.

Location	Buses to:	Operator	Details
Earby	Burnley, Colne, Manchester (via Salterforth),	Transdev	http://www.lancashirebus.co.uk/
