MOUNTAIN BIKING CODE OF CONDUCT

1. STAY ON TRACK: Only ride off road on bridleways, restricted byways & byways.

2. RESPECT OTHER USERS: On bridleways you must give way to walkers and horse riders. Make sure they can hear your approach with a friendly shout or ring of a bell and pass considerately.

3. BUNCHING IS HARASSING: If you're a large group, ride in smaller groups of three or four. If the leader opens a gate be sure that the last one through closes it.

4. PREVENT EROSION: Ride with control and at a speed where you can stop safely without skidding.

5. RESPECT OUR ANCESTORS: Avoid lumps and bumps next to the Trail, these are probably ancient burial mounds or other historic sites.

6. FOLLOW THE COUNTRYSIDE CODE: Remember to leave gates and property as you find them, protect plants and animals, take all your litter home and keep dogs under close control.

7. TAKE PRIDE IN YOUR BIKE: A well maintained bike is a safe bike that makes your ride easier. Check brakes and tyres before you ride and take a small repair kit and spare inner tube with you.

8. ENJOY THE RIDE: Make time to stop and take in the views. When resting, please stop to one side of the Trail to allow others to pass.

THE SOUTH DOWNS WAY

The South Downs Way (SDW) is a 100 mile/160 km long-distance off road National Trail which runs the entire length of the South Downs National Park.

It can be ridden on a mountain bike along its entire length running between Winchester, the Saxon capital of England, and the white cliffs of Eastbourne.

With a total of 3,800 metres, or 12,600ft of ascent, it normally takes 2-4 days to ride, but can be done in a day if you are extremely fit and enjoy a challenge. Alternatively it can be enjoyed as short excursions with the whole family.
